Mrs Lawrence. The B doors are unlocked. I appreciate you and your hubby coming by last night and speaking with me. However, I must note I do not appreciate your noticeable anger towards me. I have done nothing wrong. I have been only honest, far from what your son James can attest. He has created the monster world you both have been sucked into. Yet I am not the cause, I did not create the "enemy" world he lives in, nor am I responsible for his actions. Have you read any of his blogs? The words and what the meaning behind them conveys are scary. He has lived his life with you taking up for him, never working or being respectful to you, and if my Father or Grandfather were either alive, they'd both give him a beating for his disrespect to you and society, his outright 'entitlement' attitude and snubbing of the law, rules we all live by in a civilized society. 11

they'd both give him a beating for his disrespect to you and society, his outright 'entitlement' attitude and snubbing of the law, rules we all live by in a civilized society. 11 women are not wrong. Chelsea is not wrong to fear him and benefits not by stating the truth that he was in her apt. You have keys - he took them and used them. Simple. He needs a swift kick and needs to be held accountable for his actions, period. I am again writing, I want nothing to do with him and maybe now you both. I will clean the apt and leave the keys on the kitchen counter, text you the evening of the 30th that I am gone. I want nothing to do with whatever comes of him, for he's not going to stop harassing women and/or writing his rants. Just leave me be as I just want the peace I deserve while renting these last few weeks. I wish you both peace as well, for I guess you won't get it until you are both back in FL. Anna
